THIS WEEKEND HAS BEEN SUPERB,
THE SHOWS WERE EXCELLENT, THE ONLY DOWNSIDE
WAS THAT WE HAD TO SHARE TA SLIPPERS."
I THINK THIS YEAR WAS BETTER THAN
LAST YEAR. VERY GOOD TIMES!

A great weekend of workshops and shows. We learnt a lot and really enjoyed ourselves. First time but not the last.

Very nice weekend, very relaxing, chilling & enjoyable. Really enjoyed the workshops & balls.

Just one point, the tables are so close together we are being constantly pushed, banged & jostled as people try to squeeze through onto the dance floor.

An high energy, non-stop action showcase of exceptional talent. Very easy to follow in workshops and a really enjoyable experience that leaves you wanting to learn more. A great way to make friends in a relaxed atmosphere. Tony Greenwoods band was a joy to dance to!

It was nice to dance with my husband for virtually the whole weekend.
