Dance-floor etiquette

As you twirl around the floor this weekend remember dancing should be great fun; here's our recommendations of some basic etiquette, which will hopefully enhance your enjoyment, and that of everyone else here this weekend.

Please move anti-clockwise around the dance floor keeping your head up to check distance and match your speed to that of others. Slower dancers please use the centre of the floor, stationary dancers please stay in the centre too.

Exercise good floor-craft; please do not cut up other dancers and always apologise if you bump into someone or step on their feet - even if it's not your fault.

When not dancing please walk around the edges of the dance-floor and avoid walking across it, especially with drinks, as this may affect the enjoyment and safety of others. If you are engaged in conversation please move off the dance floor.

Smile, be personable and above all ENJOY!!!!

The dress code for the weekend is: Friday evening smart evening wear - Strictly No Denim. Saturday evening Black Tie - for men evening suit/bow tie recommended, lounge suit/tie acceptable, jacket essential. Ladies - evening dress/evening trouser or skirt outfit. Strictly No Denim whatsoever. We recommend wearing something comfortable & light for your daytime workshops. Trousers, skirts & dresses should be of the correct length at ALL times to avoid tripping up on the dance floor.

Footwear

Suitable footwear with a non-slip sole MUST be worn at all times whilst on the dance floor. Regular sports trainers are not advised for dancing as they tend to stick to the floor. Strictly no steel, overly high or thin stiletto heels, steel toecaps, flip-flops, wedges or sandals to be worn on the dance floor and no bare-feet, socks or tights. Please be advised anyone with incorrect footwear or unsuitable dress WILL be kindly & politely asked to leave the dance floor to change into something suitable.

Health & Safety

Whilst you enjoy your weekend your health & safety and that of all our guests is of paramount importance to us here at Donahey's. A control of arm & leg movements whilst on the dance floor is vital so as not to be a danger to fellow persons. No drinking whilst on the dance floor, please do not carry drinks across the dance floor, spilt drinks in any area of the ballrooms should be mopped up immediately. No excessive consumption of alcohol causing a lack of control / danger to oneself or other guests. It is your responsibility to stay hydrated and avoid over exertion by taking regular breaks. Iced water is available throughout the hotel. Dancers should not eat or chew whilst dancing. If you have any concerns whatsoever or see something you are unhappy with please bring it to our immediate attention, thank you.

Fire Evacuation Procedure

Please do take the time to familiarise yourselves with Alton Towers Fire Evacuation Procedure, Assembly Points and your closest fire escapes. In case of emergency please observe the directions of all staff at all times, if you are required to leave the hotel or ballroom please do so using your closest exit leaving all personal belongings behind.

First Aid

If you require First Aid assistance, please seek assistance at Donahey's iPoint or hotel reception – whichever is closest.

Workshops

There is no-need to pre-book any of your workshops. To even all the workshops out everyone has been split into 3 equal groups, Red – Beginner/Improver, Blue or Green – Intermediate/Advanced. Each Strictly couple will instruct 3 workshops in their speciality dance - one workshop for each group.

We have reserved you places in workshops based on the information you told us on your booking form. Over the weekend each coloured wristband group has 7 great workshops to choose from - 4 of which will be hosted by your Stars and 3 hosted by your Donahey's team.

For the smooth running of our workshops may we kindly request you only attend the workshop appropriate to your wristband colour, anybody attempting to unfairly participate in additional workshops will be kindly asked to leave the dance-floor. To enable each workshop to begin promptly please arrive early; no late arrivals will be permitted to join the workshop 10mins after it has started.

Please don't worry too much about the workshop aspect of your break; we hope you can just enjoy your workshops and particularly your time with the stars. As always, you can take part in all 7 of your group's workshops, or just some of them - the choice is all yours.

Restaurant

Your weekend package includes Dinner & Breakfast. Your final confirmation letter should provide you with your allocated evening meal times, please wherever possible try and stick to this as in theory it should help avoid any congestion.

Breakfast is available from 7.30am – 10am, please though be aware queues may occur between peak times of 8.30am & 9.15am

Seating at your table is unreserved and not considered saved or reservable; seats are simply offered on a first come first served basis at the start of every session. A table plan will be on display next to our welcome desk on the Friday. Please don't leave personal belongings behind when leaving the ballroom, as the management cannot be held responsible for the loss of these. Please kindly note; All seats at your table are required, please be considerate towards other guests seated at your table who may wish to sit together by not leaving single chairs unoccupied, many thanks.

Filming & Photography of all shows and workshops is strictly prohibited. The use of any flash photography, or recording device during any part of the Stars performances or workshops is strictly forbidden. Persons doing so will be asked to leave the ballroom immediately and delete any offending material immediately, this is a contractual stipulation rigorously enforced. Photograph opportunities will be available during the evenings, please though, avoid photograph or autograph requests before and after the Stars workshops. Unfortunately, we are unable to offer individual photographs with the stars due to contractual time constraints.
